NOTE The certified Safes of the Chubbsafes Senator series shall exclusively be equipped with high security locks according to EN 1300 which are listed in the approved technical documentation and in the lock guide ECB•S R01

The certification of a safe with an electronic high security lock (e.g. GSL 1000) according to ECB•S R01 expires if opening of the high security lock exclusively takes place through the biometric function.

The types of the Chubbsafes Senator series with a weight of $\leq 1,000$ kg shall be equipped with an anchoring assembly including material in accordance with the technical documentation

The marking as ECB•S certified product, in compliance with this certificate, is only allowed with an original ECB•S certification mark as proof of conformity according to ISO/IEC 17065.
